NASBA Candidate Care

In an effort to improve response time to candidate concerns and enhance communication to the State Boards, NASBA has recently expanded the Candidate Care Department. Any Nebraska CPA Exam candidate should feel free to contact Candidate Care if they experience any concerns, problems, or issues with any part of the exam process.

Contacts:

candidatecare@nasba.org This e-mail address may be given to any candidates who express concerns about the test center environment, the test center staff, technical and/or software problems, the application process and score review.
